HOW TO KEEP YOUR BAGELS FRESH

Bagels Can Be Kept Indefinitely if you follow these simple Rules

1. Refrigerate the Bagels you are going to eat tomorrow in plastic bags.
2. Place the rest of the Bagels in the freezer in plastic bags tonight.
3. If you like your Bagels toasted, slice them before freezing and toast frozen.
4. If you prefer your bagels whole, crisp on the outside and steaming on the inside, freeze your Bagels whole in plastic bag. Remove from plastic bag and heat them directly on your oven shelf at 375 to 400 degrees for 10 minutes.

We guarantee that they will come out of your oven fresh and delicious

BAGEL DON'TS

Never put Hot Bagels in plastic bags. Let them cool thoroughly before putting in plastic bags or they will become soggy.

BAGEL DO'S

Eat your Bagels without guilt. Our Bagels have No Fat, No Oil, No or additional Preservatives. They are very low in sugar and salt.

Check the labels on supermarket Bagels and you will see why you are doing your body a favor by eating Bagels from **Bagel Street Café**.
